Frequently Asked Questions

1. What is FortyPlusAI?

We help the over40s use AI in everyday life. Our guides are clear, practical, and jargon-free.

2. Do I need tech skills?

No. If you can browse the internet, you can use our guides.

3. What do the paid guides include?

Short, focused instructions on one real-life task, with prompts and examples plus screenshots you can copy and use immediately.

4. How long does each guide take?

Around 10 minutes to read and apply.

5. How do I receive my guide?

Instant download or email link after purchase.

6. Do you offer refunds?

Digital products are usually non-refundable.

Refunds are only given for duplicate purchases, corrupted files or download issues we can't fix.

7. Can I share the guides?

No, they're for personal use only. But you can share our website with friends.

8. What devices work?

Any phone, tablet or computer.

9. Is AI safe to use?

We only recommend reputable tools and include simple privacy-safe tips.

We don't cover advanced or workplace AI.

10. I'm over 40 and nervous about AI. Are your guides complicated?

Not at all. Everything is written for beginners who want simple steps, not tech jargon.

11. Can I suggest future guides? 100% yes! Send your ideas via our contact page.
